III. POLICY FIELD CONCENTRATION (A minimum of 6 credit hours are required)
Three credit hours may be for a 100-level or 200-level PLCY course. The remaining three credit hours must be at the 300-level or above. Please see list of approved electives. If a course that you would like to take as an elective is not indicated in the list, please complete the elective course approval form.

☐ (required) __________________________________________________________
☐ (required) __________________________________________________________
☐ (optional) __________________________________________________________

Students who take at least 9 credit hours in specific field area may elect for a concentration. The degree to be granted would be a BA with a major in Public Policy with a concentration. Students define their own concentrations. Suggested concentrations and courses are described in the Undergraduate Handbook.
